

Owen Kan

Hailing from Vancouver with roots in Hong Kong, I'm a 17 year old high schooler with big dreams and a plan to achieve them. My skill is people, understanding the ways they think, communicate, and make decisions. I extrapolate that skill into business, charity, and the arts. Here's a summary of my story:

leadership

business/finance

humanitarian

technical

Experience

2025-ongoing

Languages

English

speaking, listening

reading, writing

Cantonese

speaking, listening

reading, writing (繁体)

Mandarin

speaking, listening

reading, writing (简体)

French

speaking, listening

reading, writing

Living in Canada as a internationally recognised debater and essayist, I am fully fluent in English. My background in HK led to conversational fluency in Cantonese, and additional (ongoing) classes in Mandarin contribute to a minimal but day-to-day effective speaking, reading and writing ability in standardised Mandarin Chinese.
